Forecast for Tuesday 30 Aug 2022

Weather: Rather cloudy overnight and through the morning with some patchy light rain or drizzle. Cloud gradually lifting and breaking from the north to bring increasingly bright and dry conditions for the afternoon.

Chance of cloud-free hill tops above 800m: 20% becoming 90% from late afternoon

Low Cloud and visibility: Good or very good, becoming moderate or poor in rain or drizzle, very poor within cloud with bases quite extensive from 500m at first, before gradually lifting and breaking through the day.
